Singapore Laboratory Services Pte Ltd, 76 Tuas South Ave 2 S637519

Singapore Laboratory Services is an ISO/IEC 17065 accredited certification body

This Certificate is issued under the following terms:

1. The certificate is intended solely for the use of the Client, and shall only apply to the specific product sample given at the time of its test. All results shall not be used to indicate or imply that they are applicable to other similar items or products. In addition, such results must not be used to indicate or imply that Singapore Laboratory Services Pte Ltd approves, recommends or endorses the manufacturer, supplier or user of such product or that Singapore Laboratory Services Pte Ltd in any way 'guarantees' the later performance of the product after testing.
2. All sample/s used for test purposes is/are submitted/supplied/manufactured by the Client. Singapore Laboratory Services will not be liable or responsible for any accuracy of information on the brand name, model number, product's origin, consignment or any information that are provided for testing and certification
3. All descriptions set out in this certificate shall not be assumed or interpreted to mean that Singapore Laboratory Services Pte Ltd has verified, ascertained or endorsed any stamps, imprints, labels, marks from any other testing bodies or authority that may be present on product sample.
4. Except as otherwise stated, the contents of certificates issued by Singapore Laboratory Services shall not be republished, uploaded, posted, transmitted, distributed, adapted, displayed, altered or otherwise used in whole or in part in any manner, without the prior written permission of Singapore Laboratory Services Pte Ltd.
5. Except as otherwise stated, this certificate shall be read in conjunction with the full test report carried out in Singapore Laboratory Services Pte Ltd, 76 Tuas South Ave 2 Singapore 637519. The certificate/s issued is/are consistent with the test as reflected in the full test report.
