Document No: ENS 28003-12, Issue No. 3

## LLOYD'S REGISTER TYPE APPROVAL - DESIGN APPRAISAL DOCUMENT

Issued by: Hamburg Technical Support Office (HPC 1761053)
Issued to VIEGA GMBH & CO. KG

For: RAXOFIX MULTILAYER PIPE SYSTEM

The undernoted documents have been reviewed for compliance with the requirements of the Lloyd's Register Type Approval System Procedure TA14 Version 04 (September 2020) and this Design Appraisal Document forms part of the Certificate.

## **APPROVAL DOCUMENTATION**

Form 2571	Application for Type Approval	05.01.2022
12/20022(E1)-02	Previous Type Approval Certificate	24.02.2021
DW-8803CT0643	Certificate for DVGW test mark	08.06.2020
W 1.494	ÖVGW-Certificate for potable water domestic installations of Raxofix system of grey multilayer pipes M made of PE-Xc / Al / PE-Xc and pipes PE-RT Type II/AL/PE-RT Type II	01.04.2019
535734 QM15	Certificate DIN ISO 9001:2015 by DQS Frankfurt am Main	22.10.2020
520078_Raxofix	Instruction for use Raxofix Pipes	21.09.2020
L3 DE_112114	Raxofix Pipe system catalogue	Nov. 2020

## **TEST REPORTS**

-	Production Quality Assessment at Viega Attendorn-Ennest	29.07.2021
-	Production Quality Assessment at Viega Niederwinkling	16.07.2021
-	Production Quality Assessment at Becker Plastics Datteln	13.07.2021
122170/16	Testing of flame spread according ASTM 635-06 (class HB) for Viega Raxofix at SKZ-Testing GmbH in Würzburg	21.09.2017
VA KU 26405/4-E	Prototype test according ÖNORM EN ISO 21003-1 for Raxofix consisting of multilayer pipes PE-Xc / Al / PE-Xc dimensions ø 40 to 63 mm by tgm / Federal Institute of Technology Plastics Technology and Environmental Engineering in Wien	07.09.2017
V310/20.3	Test of thermal stability acc. ISO 21003-2 for inner and outer layer on PE-RT/AL/PE/RT Type II in different colour variations pipes at IMA Dresden	26.11.2020

Lloyd's Register Group Limited, its affiliates and subsidiaries and their respective officers, employees or agents are, individually and collectively, referred to in this clause as 'Lloyd's Register'. Lloyd's Register assumes no responsibility and shall not be liable to any person for any loss, damage or expense caused by reliance on the information or advice in this document or howsoever provided, unless that person has signed a contract with the relevant Lloyd's Register entity for the provision of this information or advice and in that case any responsibility or liability is exclusively on the terms and conditions set out in that contract.

## **Supplementary Type Approval Terms and Conditions**

Type Approval certifies that a representative sample of the product(s) referred to herein has/have been found to meet the applicable design criteria for the use specified herein. It does not mean or imply approval for any other use, nor approval of any product(s) designed or manufactured otherwise than in strict conformity with the said representative sample.

Type Approval is based on the understanding that the manufacturer's recommendations and instructions and any relevant requirements of the Rules and Regulations are complied with.

Type Approval does not eliminate the need for normal inspection and survey procedures required by the Rules and Regulations. Lloyd's Register EMEA reserves the right to cancel or withdraw this Type Approval Certificate in accordance with the Lloyd's Register Type Approval System Procedure.

Lloyd's Register Group Limited, its affiliates and subsidiaries and their respective officers, employees or agents are, individually and collectively, referred to in this clause as 'Lloyd's Register'. Lloyd's Register assumes no responsibility and shall not be liable to any person for any loss, damage or expense caused by reliance on the information or advice in this document or howsoever provided, unless that person has signed a contract with the relevant Lloyd's Register entity for the provision of this information or advice and in that case any responsibility or liability is exclusively on the terms and conditions set out in that contract.
